

# Certificate of Approval

This is to certify that the Management System of:

## Cory Environmental (Holdings) Ltd

Trading As: Cory Riverside Energy  
Level 5, 10 Dominion Street, London, England, EC2M 2EF, United Kingdom

has been approved by LRQA to the following standards:

### ISO 45001:2018

Approval Number(s): ISO 45001 – 00051780

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### The scope of this approval is applicable to:

The provision of waste management services and operation of waste transfer stations, materials recovery facilities and civic amenity sites. The operation of energy from waste plants including power generation. The provision of Lighterage services and the maintenance and repair of Tugs and Barges. The operation of ship repair services.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original ISO 45001 approval on 12-May-2021, NQA certificate number 69747

**David Derrick**

Regional Director, UKAM
